

2023-2024 REGISTRATION

THUNDER BAY
CHRISTIAN SCHOOL

KinderSchool Program

Thunder Bay Christian School recently expanded our JK & SK program to include the option of sending your child full time. We are calling these additional days “kinderschool”. This program is for students currently enrolled in the TBCS kindergarten program.

Currently our junior and senior kindergarten program is run by a certified primary school teacher along with a certified early childhood educator. The expanded 5-day program will continue to be coordinated and run by this teacher/ECE team. Kindergarten is an important and formative time in every child’s life. It is a time of tremendous growth; physically, mentally, spiritually, and socially. Our kinder classroom and daily activities are aimed at nurturing a child’s love and understanding of Jesus and to begin exploring and nurturing all their unique God given talents and learning abilities!

Below are the options available for Kinderschool:

Options	Cost
Option #1: One Day/week	\$/day
Option #2: Two days/week	\$/week
Additional 3 rd day for JK Day	\$/year (can be used in addition to Option 1 or 2, not a separate option)

*For planning & budgeting purposes, we kindly require that you register and commit to one option for the school year.

Registration

Student’s Name: _____

Student is registered for: JK SK beginning September 2023.

Please enroll my child in Kinderschool Option:

Option #1: Tuesday Thursday (please check off which days)
