To God be the Glory!

Spring Edition

BUT SEEK FIRST THE KINGDOM OF GOD AND HIS RIGHTEOUSNESS, AND
ALL THESE THINGS WILL BE ADDED TO YOU.
MATTHEW 6:33

Skate- A - Thon

The Annual Skate-A-Thon was held March 19th, and was a great success. Students enjoyed skating laps with their friends and it was great to see older students helping out younger students. The pot luck after was well attended and we are so grateful for the opportunity to fellowship with our community. Thank you so much to our generous community that sponsored the students for this event, to the Booster Club volunteers for all their hard work in the kitchen, and to all the staff and volunteers that helped make this event a success. Stay tuned for an update on the total raised!

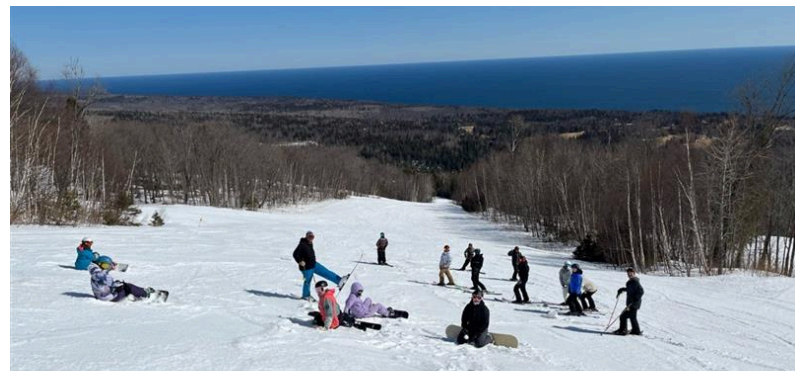

Fire Safety

On February 21st, Officer Mike Lamers from the Oliver Paipoonge Fire Department visited TBCS to give a presentation on Fire Safety. Each student was given a goody bag and tasked with making a home Fire Safety plan.

Highschool Lutsen Trip

On March 20th, a group of 21 students and chaperones went to Lutsen Mountain, USA for a full day of skiing and snowboarding. It was the perfect day! The sun was shining, the weather was warm, and the conditions were excellent! The students only took a break to eat lunch at the chalet with the most beautiful view over Lake Superior. It was definitely a memorable day for everyone!

Prayer Corner

As we prepare for the upcoming 2025-26 school year, we ask for God's guidance and strength. We know that so much work goes into the planning, organizing, and preparation of each year, and we are thankful for the hands that make it all possible.

We are especially grateful for the community, a community rooted in love, support, and faith. We ask for prayers to bless us with wisdom and unity as we grow together.

As we look forward to the addition of Grades 11 and 12, we pray for guidance in this expansion. May we be equipped with the resources, knowledge, and patience needed to nurture the hearts and minds of our students. May this new chapter be filled with opportunities for growth, learning, and connection.

We place our school, our teachers, our students, and their families in God's hands, trusting that He will lead us through this year with grace and mercy. May everything we do be for His glory.

Chapel

We are thankful to report that our new Chapel format is really helping our junior and senior students connect to God and His Word! It is working very well to have our Kindergarten-Grade 5 students have a Chapel geared towards their age group at 1:55, and then our Grade 6-Grade 10 Chapel immediately afterwards.

Recently, we have been learning about the goodness and justice of God. Melody and Gary Macsemchuk, from Grace Place, came to Senior Chapel last Wednesday to share with us about seeing God's goodness at work in their street ministry and shelter. The senior students also had a crash course in what it means that God is always just and fair. They were then able to teach their younger Bible Study Buddies about this truth.

Sports

Grade 7/8 Girls and Boys Intermediate Basketball tournament with Lakehead Public Schools was on Thursday, February 20th at Lakehead University. Our students tried their best and had good attitudes on the court, reflecting the love of God to their competitors.

The boys' team ended up in 4th place and the girls' team finished in 3rd. Thank you to our volunteer coaches and family members who came to cheer us on! It was a really fun day.

On March 5th, TBCS was proud to have 2 teams represent our school in the annual Lakehead School Board hockey tournament. We, as coaches, were very impressed by the students' behaviour, respect, and hard work ethic throughout the day, both on and off the ice. Thank you to all that participated and helped to make this possible.
Coaches: Nick, Dave, Ryan, Shawn, Aaron and Ian.

School Spirit Week

The TBCS Students' Council organized a School Spirit Week and it was a great week! Students enjoyed "Dress Like a Teacher/Staff Member Day" and were greeted by their Teachers dressed as students.

On Wednesday students brought their supplies in "Anything But a Backpack". The hallways were filled with suitcases, a fishing net, a pizza box and coolers. It was so fun to see all the fun and creative ideas.

We finished the week off with "90's" Day!

Thank you to the Students' Council & Teachers for organizing this fun week for staff.

A Big Shoutout to Our Amazing Volunteers!

Our school is incredibly fortunate to have such a dedicated group of volunteers who contribute in countless ways. From assisting teachers with grading papers to helping students with reading, and everything in between, your support makes a world of difference. We are truly grateful for all that you do, and we can't thank you enough! Trudy Bolt, Veronika Krpan, Henrietta Breukelman, Emka Dykstra, Theresa Henny, Carolyn deGroot, Norma- Jean Kamerman, Debbie Cavar, Don and Marylyn Shaver - Thank you all!

Prayer for Renewal

Lord, as the world around us blooms anew, renew our hearts. Fill us with new life, new hope and new joy, just as You renew the earth with Spring Light.
